

# CROSSWAVE® OMNIFORCE™ EDGEFIND™ | 4325F

ONE MACHINE, TWICE THE CLEAN

Save time by vacuuming and washing at the same time! Featuring ZeroGap™ Technology, CrossWave® OmniForce™ EdgeFind™ delivers zero-millimetre gap edge cleaning so you can clean all the way to the skirting boards. FurFinder™ Headlights illuminate debris using patented high and low beam headlights making pet hair and dirt easy to see. Vacuum and mop together for up to 30 minutes<sup>1</sup> in Power Mop Mode, or powerfully vacuum alone with 75% more suction<sup>2</sup> in Power Vac Mode.

**CORDLESS COMBO VAC & MOP:** Vacuum and mop together or powerfully vacuum alone.

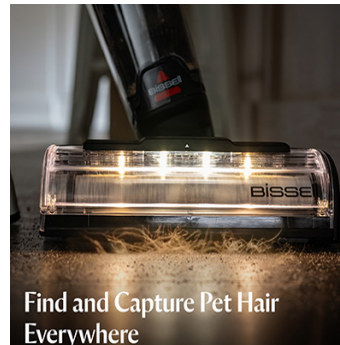

**ZEROGAP EDGE CLEANING:** Technology to clean all the way to the edge.

**POWERFULLY FIND & CAPTURE PET HAIR AND MESSSES:** The FurFinder™ Headlights are designed to illuminate hidden pet hair & messes with patented high and low beams for a more thorough clean.

**VACUUM ONLY:** Easily convert to power vacuum mode for 75% more suction<sup>2</sup> for dirt, crumbs and fur pickup.

**MULTI-SURFACE VERSATILITY:** Tackle wet and dry messes on hard surfaces like tile, sealed wood floors, laminante, and more; It even refreshes area rugs.

*<sup>1</sup>May vary based on mode and usage. <sup>2</sup>vs. CrossWave® X7 Wet Dry Vac.*
