# the Sear & Press™ Grill

## Product Description:

The Sear & Press Grill has been designed to deliver perfectly pressed sandwiches, delicious burgers, seared steaks to golden waffles. Do it all with reversible ribbed, flat and waffle plates. The possibilities are endless with open BBQ mode which doubles your space to create!

### ONE-TOUCH PRESETS

Shortcuts increase convenience: pre-programmed one-touch Sandwich, Burger and Sear functionalities create ideal cooking environment and perfect results for your favourite foods.

### OPEN FLAT BBQ MODE

Open the grill flat for a 1500cm<sup>2</sup> grilling and griddle surface. Makes grilling steaks, burgers or seafood a cinch and cooks eggs and pancakes to perfection. Removable drip tray works in BBQ or contact mode and catches the fat whilst cooking. Outdoor grilling has now found a new home on your countertop.

### INDEPENDENT PLATE TEMPERATURE CONTROL

The electronic temperature control on each plate puts you in command. When opened on the BBQ mode, you now have the ability to cook a great variety of food that require different temperatures independently. Endless food combinations to keep you cooking morning, noon and night.

### COMPATIBLE WITH THE WAFFLE PLATES

The Sear & Press Grill includes a set of premium quick release non-stick coated waffle plates for added versatility. The No-mess Moat design feature prevents waffle batter to spill out and onto your counter top. Dishwasher safe.
