Model Number	HPB5400
Price (RRP)	\$129
EAN	9313139336898

Short Description	<p>The Sunbeam Lower Back Heating Pad is designed to bring targeted heat for soothing relief. With an adjustable strap that comfortably fits waists up to 54 inches, it ensures a perfect fit delivering the heat where it's needed. It delivers gentle warmth, easing lower back muscle pain and tension with a gentle touch.</p>
Long Description	<p>The Sunbeam Lower Back Heating Pad is designed to bring targeted heat for soothing relief. With an adjustable strap that comfortably fits waists up to 54 inches, it ensures a perfect fit delivering the heat where it's needed. It delivers gentle warmth, easing lower back muscle pain and tension with a gentle touch.</p> <p>Sunbeam heating pads feature easy-to-use controllers with 5 heat intensities and 90 second fast heat-up. When in use, the built-in Intellisense Technology prevents overheating and maintains consistent heat pad temperature. In addition, the safety auto-off feature means power is automatically cut from the heating pad after 3 hours of continuous use.</p> <p>Made with a softy velvety fabric that's machine washable, enjoy the comfort of soothing warmth while working on your laptop or relaxing with Sunbeam's heating pad.</p>
