STH3010/30

Highlights

Compact and foldable

Our handheld steamer 3000 Series is designed to be light, compact and foldable for easy usage and storage to re-assure fresh outfits anytime, anywhere. It is your ideal companion for easy and quick touch-up at home or on the go.

Ready to use in ~30 seconds

Ready to start steaming in just 30 seconds. The light indicates when you are ready to start so you're finished in no-time. No waiting, no hassle.

1000W, up to 20g/min

Our handheld steamer delivers up to 20g/min continuous steam, thanks to its 1000W. For quick and convenient steaming.

No ironing board needed

Hassle-free steaming. Save time when you are in a rush, no need to set up the ironing board.

100ml detachable water tank

Handheld steamer 3000 Series comes with a 100ml detachable water tank to steam up to a full outfit without the need to refill. You can easily detach the water tank of your steamer and refill it under the sink.

Kills 99.9% of bacteria*

Past few months made us look more for healthy and hygienic solutions. Our handheld steamer kills 99.9% of bacteria*. You can even steam your curtains and bed sheets.

Refresh and remove odors

The hot steam of our handheld steamer 3000 Series refreshes your delicate clothes in an instant removing odors. Wash less, iron less, save energy and you will prolong the lifespan of your garments!

Safe on all ironable fabrics

Our steamer is safe to use on all ironable fabrics and garments. Our steam plate can be safely pressed against any clothing with no risk of burning; a great solution for delicate fabrics like silk.

Storage pouch included

Philips handheld steamer 3000 Series comes with a pouch, useful for when you travel or just to easily store it at home.
