## BENEFITS

|                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                   |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Class-leading capacity</b><br/>Chef freestanding cookers have one of the largest cooking cavities and an 80L gross oven capacity for all your family meals. Plus, the separate grilling compartment means you can entertain guests and cook big family meals with absolute ease.</p> | <p><b>Easy clean convenience</b><br/>Save time and effort with easy clean features such as the removable glass door system. This allows for quick and easy cleaning with no trapped grease. The specially formed shelf supports and acid-resistant enamel also allow for a simple wipe clean.</p> |
| <p><b>Built in Australia</b><br/>Chef has been part of Australian homes for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.</p>                                                |                                                                                                                                                                                                                                                                                                   |

## Specifications

### PRODUCT PROFILE

|                                 |              |

For complete installation instructions, refer to the manual provided with product.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
