Quick Guide
Safety Guide⁶

1. Colours may vary from participating retailers. 2. 7400mAh is the typical value of the battery's capacity. The rated capacity is 7190mAh. 3. Dual SIM capabilities are dependent on region and carrier. Functions available on the live network depend on the situations of carrier's network and related services deployment. 4. The SUPERVOOC word mark and logos are trademarks owned by OPPO Mobile Telecommunications Corp., Ltd. 5. The screen supports up to 120Hz refresh rate. The refresh rate may be different under different apps and scenarios. Please refer to the actual use. 6. See our website for full details.
