PORTABLE BLENDER

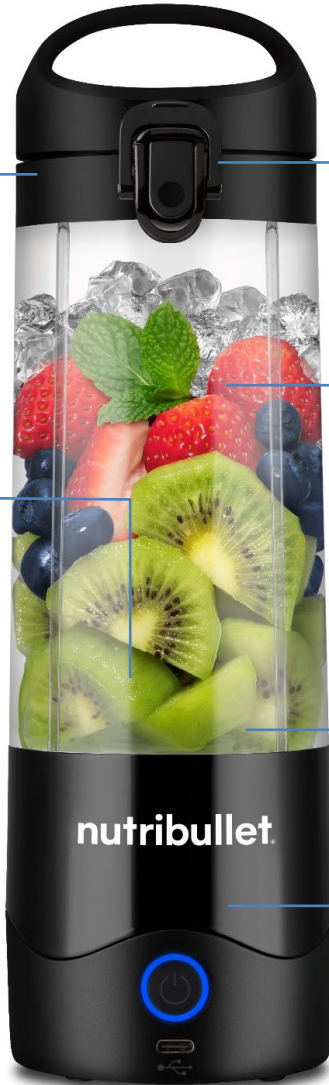

4
piece

Great blends, no limits.

Compact and lightweight, with a convenient handled lid, this little blender is designed to go wherever you do.

Pointed power.

A 4-point stainless steel, performance-optimized blade smooths out frozen fruit, ice, and other tough ingredients.

Flip and sip.

A convenient lid designed for on-the-go sipping, sans spillage.

Tritan-tough cups.

Made with lightweight, but durable Tritan plastic, the blending cup holds its own in your gym bag, suitcase, or tote without weighing you down.

2000mAh battery.

Delivers 15 blending cycles per 90-minute charge, all from a USB-C power source.

On the pulse.

Activate pulse mode to achieve a variety of textures for salsa, relish, slushies, and other tasty treats.
