

CROSSWAVE® EDGE CORDLESS | 4328F

CORDLESS FREEDOM FOR QUICKER, MORE EFFICIENT CLEANING

The CrossWave® Edge Cordless multi-surface cleaner vacuums and washes in one step—no mop or bucket needed. Tackle messes on multiple surfaces with cordless freedom and edge-to-edge cleaning, saving you time and effort every day.

CUT CLEANING TIME IN HALF: Simplify your routine — vacuum and mop together to tackle wet and dry messes at the same time on multiple hard surfaces like tile, sealed wood floors, laminate, and more; it even refreshes area rugs.

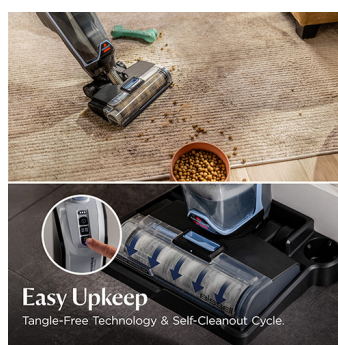

CLEAN ALL THE WAY TO THE EDGE: Conquer more floor. Collect more crumbs, dust, and hair with ZeroGap™ Technology on the right side of the brush roll. Engineered to clean wet and dry messes all the way to the edge of walls and skirting boards.

CORDLESS FREEDOM: Tackle life's everyday messes with cordless convenience.

ONE TOOL FOR MULTIPLE SURFACES: Effortlessly transitions from hard floors to area rugs.

EASY UPKEEP: Tangle-Free Technology reduces hair on the brush roll, manages pet hair, saves time, and ensures a fresh clean brush roll, while the Self-Cleaning mode flushes debris allowing a fast and simple cleanup.

STOP SMEARING WITH A MOP: Two-Tank Technology always keeps fresh and dirty water separate, ensuring you are only cleaning with fresh water
