# Highlights

## No Hassle

Powerful enough for full ironing sessions yet ready in seconds for a last-minute touch-up, the compact Philips OneTurn makes garment care effortless. No setup, no waiting-just crisp, wrinkle-free results whenever you need them. Designed for speed and flexibility, it comes with a convenient StyleMat that lets you iron or steam anywhere - on a table, bed, or countertop - while protecting surfaces.

## Iron-like results, no bulk

Experience full ironing power without the bulk of a traditional steam iron. Our innovative technology delivers powerful, consistent steam with guaranteed no leaks\* for crisp, iron-like results on any fabric - from delicate silks to structured cottons.

## Vertical & horizontal ironing

Crisp ironing and gentle steaming in one lightweight device. Seamlessly switch between horizontal ironing for structured pieces and vertical steaming for delicate garments and with one turn. Consistent steam output (45g/min) at any angle ensures flawless results.

## Seamless experience

OneTurn is 50% lighter and heats up faster than traditional steam irons\*\*. Small in size but big on performance, it's the perfect blend of speed, power, and convenience for modern lifestyles.

## Precision & speed

Switch between precision and speed with our signature diamond shape soleplate. Use the I-shape for targeted touch-ups or the T-shape for one-stroke coverage. OneTurn adapts to your needs, offering the flexibility of a hybrid iron and steamer.

## Optimal Temp

With OptimalTEMP technology, you get one perfect temperature for all ironable fabrics. No temperature settings requires - just glide from silk to denim with confidence.

## Steam Glide plus

Our exclusive SteamGlide Plus soleplate features a titanium layer and 6-layer coating for smooth gliding. Non-stick, scratch-resistant, and easy to clean - designed for effortless movement across all fabrics.

## Steam boost

Tackle tough wrinkles with triple steam bursts (90g/min) that penetrate deep into fabric layers, smoothing even the most stubborn creases. Powerful ironing and steaming, ideal for thicker textiles and quick, last-minute touch-ups

## Detachable water tank

The 200 ml removable water tank allows for easy, spill-free refills and quick maintenance - no need to turn off the device. Just detach, refill, and continue steaming

# Specifications

## General Specification

Product Type: Hybrid Iron and Steamer  
Heat up time: 45 seconds  
Easy to set up and store: Yes  
Rotating Head: Yes  
Indicator light: Yes  
Soleplate material: Aluminum  
Rinsing Function: Yes  
Soleplate name: Steam Glide plus  
Calc clean reminder: No  
Detachable water tank: Yes  
Water tank capacity: 200 ml  
Refill any time during use: Yes  
Low water warning: No  
Steam Modes (ECO/MAX): Yes  
Vertical steaming: Yes  
Power cord storage: Yes  
Integrated power plug: Yes  
Warranty/Guarantee: 2 years  
OptimalTEMP Technology: Yes  
Steam boost function: Yes

## Technical Specifications

Power: Up to 1800 W\*\*\*\*\*  
Pressure: 0.85 bar  
Steam Rate (Horizontal): 45g/min  
Steam Rate (Vertical): 45g/min  
Steam-on-demand: Yes  
Steam boost: 90 g/min  
Voltage: 220-240 V

## Safety

Automatic shut-off: Yes  
Power On/Off Switch: Yes  
Safe on all ironable fabrics: Yes

## Country of Origin

Produced In: China

## Weight and Dimensions

Soleplate dimensions: 197.8(L) x 116.7(W) mm  
Product dimensions with steam plate at portrait orientation (WxHxL) (cm): 12x17x34  
Product dimensions with steam plate at landscape orientation (WxHxL) (cm): 20x17x30  
Package dimensions (WxHxL): 19.5 x 27.3 x 38  
Power cord length: 2.5 m  
Style mat dimensions (cm): 69(L) x 45(W)  
Soft Board size (WxL) (cm): 45(W) x 85(L)  
Stylemat weight (kg): 0.4 kg  
Product Weight: 0.9 kg  
Total weight with packaging: 2.5 kg

## Design

Color: Silky White (White)  
Secondary color: Nougat

## Accessories/Compatibility

StyleMat: Yes  
Resting dock: Yes

## Sustainability

Packaging: Sustainable Packaging  
Recycled plastic used: 33.3%
