FEATURES

900 watts power	Quick start	Auto Menu	Pre-set programs
10 power levels	Fast reheat	Auto-return table	Touch control
Child safety lock			

BENEFITS

Set and forget
Take the guesswork out of microwaving with our pre-defined set of Auto Menus that are designed to cook specific foods, such as popcorn, soup, and pasta. The menus will select the correct power level and cooking time making it easier for you.

Quick reheat, with one touch
Need food fast? The quick start function adds 30 seconds at the press of a button, making it easy to reheat meals in a hurry with no extra steps.

Added safety, peace of mind
The child safety lock helps prevent accidental use, giving you extra confidence in a busy kitchen, especially with little ones around.

Easy access, every time
The auto return turntable resets to its starting position when cooking finishes, so your dish is right where you expect it. It makes handling hot food simpler, safer and more convenient.
