

PERFORMANCE

Theragun Prime 6TH GEN

Relieve Pain
Increase Flexibility
Speed Up Recovery
Enhance Performance

Scientifically proven benefits

Theragun Prime (6th generation) is our most durable Theragun yet*, for reliable recovery that won't quit. Deep, powerful, percussive massage therapy meets a rugged design to keep pace with intense training days, outdoor adventures and everything in between. With an impact-resistant rubber exterior and reinforced corners, it can handle drops, knocks and the wear and tear of heavy use. Scientifically proven to relieve pain, increase flexibility and speed up recovery, it's built for anyone who demands more from their device.
