# Product Details

## FEATURES

| | | | |
|---|---|---|---|
| Plug and play with 10A socket | AirFry | Programmable timer | Fast and even cooking results |
| Fan forced oven | Easy to use dial controls | 80L cooking capacity | Black finish |

## BENEFITS

Built in Australia
Chef has been part of Australian homes for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.

AirFry in an oven? Easy
Enjoy crispy results using little to no oil, right in your oven**AirFry Tray sold separately.

Simple plug to play. Easy
Installation is quick and easy and doesnt require professional help. The standard 10amp plug connects straight into the wall so you can start cooking delicious meals straight away.

Set and forget cooking. Easy.
The programmable timer means that you can set the cooking start time and duration, and well do the rest.

80L cooking capacity
With room to cook larger style family meals, the 80L oven capacity gives you the flexibility to cook for a crowd with ease.

Safe to touch? Easy
The triple glazed glass door helps keep oven heat in for more consistent cooking and better energy efficiency, while staying cooler on the outside.

Cleaning oven doors? Easy
The removable glass door makes cleaning easy by allowing the door and glass to be removed and wiped down with less effort.

Modern black finish
The black control panel finish and dark glass oven door has been designed with the latest kitchen trends in mind. This modern and versatile look will suit every kitchen space.
