## PRODUCT HIGHLIGHTS

### 3 PRE-SET PROGRAMS

REHEAT – bring toast back to temperature, or continue toasting for a browner result.

DEFROST – gently brings bread back to room temperature .

BAGEL – browns one side of the bread without toasting the other.

### 2 WIDE SLOTS

Wide slots to accommodate hand-cut bread, with self centering racks for even toasting.

### BACKLIT KNOB

Stylish control knob with LED lighting.

### CRUMB TRAY

Easy-clean, stainless steel removable crumb tray.
