

## Sunbeam Iced Coffee Machine SDP1000BK

Product Name	Sunbeam Iced Coffee Machine
Model Number	SDP1000BK
Short Description	The Sunbeam Iced Coffee Machine quickly cools concentrated, hot-brewed coffee over ice, delivering flavourful iced coffee that's never watered down.
Long Description	Say no more to disposable cup waste and spending too much on iced coffee from the cafe. With the Sunbeam Iced Coffee Machine, make delicious iced coffee at home in a reusable on-the-go tumbler. In three easy steps, this single serve machine quickly cools concentrated, hot-brewed coffee over ice, delivering flavourful iced coffee that's never watered down. Simply fill the machine with water, scoop in grounds, brew over ice and enjoy...all under four minutes! Personalise with syrups, milks and cream or get fun ideas with iced coffee recipes. The reusable tumbler provides on-the-go convenience while reducing waste. It's Iced coffee, made easy.
EAN	9313139335211
Key Feature 1	Brewed in under 4 minutes: Single-serve coffee machine quickly cools concentrated, hot brewed coffee over ice to deliver iced coffee that's never watered down.
Key Feature 2	3 Easy Steps: Fill the machine with water, scoop in your coffee grounds, add ice to your tumbler and press Start; no more guessing the correct ratio of coffee, water and ice.
Key Feature 3	The Magic is in the Measurements: Integrated water measuring system, coffee scoop and ice level indicator ensure the perfect ratio for delicious iced coffee every time
Key Feature 4	Coffee On-The-Go with Less Waste: Pod-free machine pours brewed coffee directly in the 650ml reusable insulated tumbler, cover and straw set; ideal for taking iced coffee anywhere.
Key Feature 5	Iced Coffee Your Way: Get creative with flavoured syrups, whipped cream, and more with a variety of recipes that add a delicious twist to your day
