

S36GD Curved Monitor

LS24D366GAEXXY (24")

LS27D366GAEXXY (27")

Topline key features / benefits

1. 1800R Curved Screen
2. 100Hz Refresh Rate
3. Game Mode
4. Eye Saver Mode & Minimal Screen Flickering
5. HDMI & D-sub

Key features & message hierarchy

The Curved for enriched engagement

1800R Curved Screen

An immersive viewing experience. The curved monitor wraps closely around your field of vision to create a wide view which enhances depth perception and minimises peripheral distractions, helping to stay focused on what's on screen.

Smooth performance for your content

100Hz Refresh Rate¹

Stay in the action when playing games, watching videos, or working on creative projects. The 100Hz refresh rate reduces lag and motion blur so you don't miss a thing in fast-paced moments.

¹ Default refresh rate is set to 60Hz, and may be adjusted to 100Hz in the monitor's settings.

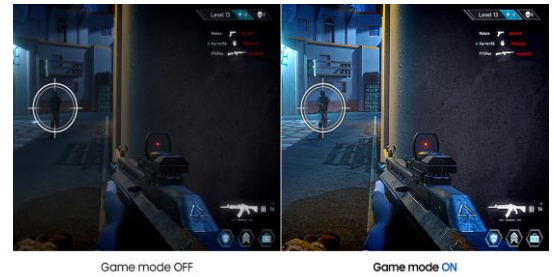

Additional features & message hierarchy

More gaming power

Game Mode

Gain the edge with optimisable game settings. Colour and image contrast can be instantly adjusted to see scenes vividly and spot enemies hiding in the dark, while Game Mode adjusts any game to fill your screen with every detail in view.

* Image simulated for illustrative purposes.

Keep it easy on the eyes

Eye Saver Mode & Minimal Screen Flickering

Care for your eyes and stay comfortable, even during long sessions. Advanced eye comfort technology certified by TÜV reduces eye strain by minimising blue light and reducing irritating screen flicker.

* Image simulated for illustrative purposes.

Fresh eyes win more

HDMI & D-sub

Connect to more. Plug devices straight into your monitor for increased flexibility, making your computing environment more convenient.
