

SKU: LEK200

the Slice n’ Carve™ Cordless

SHORT DESCRIPTION: (Max 50 Words)

With 2 stainless-steel blade sizes to select from, the Breville Slice n’ Carve™ Cordless electric knife with a 2-hour fast-charge† battery offers cordless conveniences to complete most slicing and carving tasks. A 2-step operation and blade storage case makes this a safe & convenience kitchen choice. USB-C cord included.

LONG DESCRIPTION: (Max 100 Words)

Whether on the dinner table or outdoor patio, the Breville Slice n’ Carve™ Cordless electric knife is a fully portable solution for all your everyday slicing and carving needs. With 2 (large & small) stainless-steel blade sets to select from, the 2-hour fast charge† battery offers the power and charge-time to complete most slicing and carving tasks with ease, while the LED light ring will easily alert you to the battery charge level. Requiring a 2-step operation to activate, this electric knife is a safe & convenient choice.

Also comes with a handy blades storage case and USB-C cord.

† When connected to a DC9V 2A power source
