

SAMSUNG

S95D – OLED 4K Smart TV (2024)

Experience the Wow of Samsung OLED

55", 65", 77"

Top Features

OLED Anti-Glare	Enjoy your favourite entertainment without closing the blinds. Our new OLED anti-glare technology significantly reduces glare from external light sources. ¹
Infinity One Design	At just 11.2 mm in depth, this OLED knows how to draw your eye straight to the action. Its sleek and slim profile allows it to blend seamlessly in your space, and delivers a streamlined entertainment setup.
Samsung OLED Technology	Utilising over 8 million specially engineered self-illuminating pixels consisting of three subpixels (red, green and blue) and no white subpixels, Samsung OLED optimises brightness and colour accuracy to create an intense cinematic experience. ²
True Dolby Atmos	The S95D includes a 70W 4.2.2 channel sound system featuring built-in up, down and side-firing speakers with True Dolby Atmos support to deliver larger-than-life audio experiences. ³

¹ The S95D range has been independently verified as OLED Glare Free: Reflection Glare UGR <10, Discomfort Glare UGR <22, Disability Glare UGR <34 by UL LLC (UL Solutions), Certificate Number: V647799 – 01/03/2024.

² Picture quality may vary depending on quality and resolution of source content and viewing conditions.

³ Source content must be Dolby Atmos® enabled for Dolby Atmos® playback. Samsung define 'True Dolby Atmos' as featuring an upwards-firing directional speaker for three dimensional sound.
