Clean & fresh water

BENEFITS

Fresh water at the touch of a button
Enjoy easy access to cold, fresh water and ice straight from your fridge.

Pure water. Peace of mind
The replacement water filter cartridge reduces chlorine, metallic taste, cloudiness and odour from your water and ice. Replace as recommended so you and your family can enjoy pure, clean water all year round.

Watermark certified*
This means it is certified for plumbing and drainage products to ensure they are fit for purpose and appropriately authorised for use in plumbing and drainage installations. NSF Tested and Certified to AS/NZS 3497 and AS/NZS 4348 for substance reduction.

Genuine water filter replacement
Filters that are specially designed with activated carbon to attract the contaminants, trapping them inside as the water passes through the filter resulting in fresh, pure tasting water and ice.

Easy half yearly replacement for optimal performance
It is recommended that you replace your filter every 6 months, or as required, depending on your fridge water usage.

Quick and easy filter installation
It's as simple as 'twist and replace' with your new replacement filter.
