Features & Benefits

Huge 123L Capacity

Cooking for the masses made easy with the huge 123L combined oven capacity. Giving you the versatility to cook a large roast and bake a dessert, on different settings, all at once

Oven 1: 38L Compact Oven with Grill

Perfect for efficiently cooking small meals, the compact oven combines a conventional oven with a high-power grill.

Oven 2: 85L Multi-function Oven

With 8 settings to choose from including Fan Forced, Conventional, Defrosting function, Grill settings and more; you can perfectly cook anything from pavlova to pastizzi with ease.

Gas Cooktop with Wok Burner

4 gas burners featuring a 14.0mJ wok burner and durable raised cast iron pan supports for stability. A flame safety device fitted to each burner cuts off the gas supply should the flame ever go out.

Removable Telescopic Shelves

The telescopic shelves in the main oven allow you to effortlessly slide oven accessories in and out of the cavity. Perfect for handling heavy baking trays when preparing a Sunday roast!

Additional Features

Includes a large easy to read white LED display with touch controls, full width oven pans & premium cast-iron griddle plate.
