Acer Nitro V 15

Elevate your gaming adventure with the Acer Nitro V 15, your gateway to an adrenaline-charged journey. This laptop is the perfect blend of power and style, pushing the boundaries of what's possible on a laptop.

- 13th Gen Intel® Core™ Processor with Latest Hybrid Architecture
- Up to NVIDIA® GeForce RTX™ 4050 Laptop GPU¹
- Up to 15-inch FHD 165Hz¹ IPS Display
- Up to 32GB DDR5 RAM, Supports M.2 PCIe Gen4 SSD

Established in 1976, Acer is a hardware + software + services company dedicated to the research, design, marketing, sale, and support of innovative products that enhance people's lives. Acer's product offerings include PCs, displays, projectors, servers, tablets, smartphones and wearables. It is also developing cloud solutions to bring together the Internet of Things. Acer celebrated its 40th anniversary in 2016 and is one of the world's top 5 PC companies.

Beyond Performance

Empower your gaming and creativity with the Nitro V 15, combining a 13th Gen Intel® Core™ i7 processor¹ with the NVIDIA® GeForce RTX™ 40 Series¹ Laptop GPUs. These powerhouses support up to Gen4 top-speed M.2 PCIe NVMe SSDs² and up to 32GB of DDR5 RAM, equipping you with light-speed capabilities whether you're orchestrating a climactic battle or crafting your next visual masterpiece.

An Era of Visual Dominance

Welcome to a new era of visual dominance. See your digital conquests unfold in vibrant Full HD on a 15.6" screen, perfectly timed at a lightning-fast 165Hz refresh rate and a wide 16:9 aspect ratio providing 82.64% screen-to-body ratio. It's like having a portal to the gaming universe right on your lap.

Keep Your Cool

Keep your cool amidst the most fierce gaming galaxies, thanks to Nitro V 15's innovative dual fans and effective exhaust system. As you navigate interstellar conflicts, your laptop stays serene as deep space. Its gradient design mirrors the neon hues of a futuristic cityscape, immersing you deeper into your gaming universe.

Stay Connected

Your gaming sanctuary is wherever you are. On the couch? Settle in with fast and stable Wi-Fi 6. Gaming cafe? Get an edge online with Gigabit Ethernet. No matter your location, Nitro V 15 ensures you're always in the driver's seat. With the powerful Thunderbolt™ 4 port, you have the trifecta of power charging and data transfer with bidirectional movement and video display in one interface.

No Limits with NitroSense™

Channel your inner gaming strategist with the NitroSense utility app. Fine-tune your gaming setup to match your style, be it adjusting fan speeds for those heated battles or customizing lighting for immersive exploration. The power is at your fingertips, transforming your laptop into a perfectly calibrated command center for every gaming mission.

Always Be Heard and Seen

DTS® X: Ultra Audio provides a sonic advantage in your space-age battles. Experience crystal clear communication with AI-powered Acer PurifiedView and PurifiedVoice noise reduction technology. You'll feel like you're in the command center of a spaceship, with pinpoint sound accuracy giving you the edge in your gaming skirmishes.
