## Highlights

### Up to 90% less fat

Cooking with hot air prepares your favorite dishes with up to 90% less fat without compromising on taste.

### 13 cooking methods in one

From cooking dinner to baking a sweet treat, the Philips 2000 Series Airfryer offers 13 smart cooking modes at your fingertips. Whether you're making airfryer meals for the family or trying new recipes, simply tap the touchscreen to grill, roast, reheat, bake, or fry.

### Cooking window

No more guessing when cooking, watch your food crisp up with the see-through airfryer window. Keep an eye on your meal from start to finish, ensuring perfect results without opening the basket. Ideal for monitoring meals without interrupting the cooking process.

### Touchscreen control

Easy-to-use touchscreen has 9 preset functions to choose from: frozen fries, fresh fries, chicken drumsticks, meat, fish, breakfast, vegetables, cake and keep warm.

### HomeID Recipe App

Discover thousands of free recipes and specific settings for your Air fryer. 93% of users say the HomeID app makes cooking easier.\*\*

### Quick and easy to clean

Save time on cleanup with our non-stick StarPlate that can be put in the dishwasher.

### Perfectly-sized

The compact design is ideal for every kitchen large or small. Holds up to 800 g of fries, 8 chicken drumsticks or 800 g of vegetables in. 6.2-liter pan.

### Save time and energy

Cook up to 50% faster & save up to 70% energy when cooking with Philips Airfryer instead of your oven.\*\*\*

### RapidAir technology

Crispy on the outside and tender on the inside, with little or no added oil. RapidAir technology with its unique Starfish design creates perfect air flow to cook quickly and tastily every time.

# Specifications
