

All-new Fire TV Stick 4K Max

- Our most powerful streaming stick. Elevate your entertainment experience with a powerful processor for lightning-fast app starts and fluid navigation.
- Enjoy the show in 4K Ultra HD, with support for Dolby Vision, HDR 10+, and immersive Dolby Atmos audio.
- Stream more than 350,000 movies and TV episodes. Watch favourites from Netflix, BINGE, Stan, Disney+, Prime Video, and more, plus watch sport live and on-demand with Kayo Sports and Optus Sport. Subscription fees may apply.
- The first-ever streaming stick with Fire TV Ambient Experience lets you display over 2,000 pieces of museum-quality art and photography.
- Fire TV 4K Max has 16 GB of storage - double that of Fire TV Stick 4K and our other streaming sticks, for even more apps, games and downloads.
- Wi-Fi 6E support - Enjoy smoother 4K streaming, even when other devices are connected to your router.

We want you to know

- To benefit from Wi-Fi 6E, a compatible Wi-Fi 6E router is required. Fire TV Stick 4K Max is also compatible with earlier Wi-Fi routers.
- Dolby Atmos is only available on select streaming services when connected to compatible equipment.

Our most powerful 4K streaming stick

Level up your 4K Ultra HD entertainment with a powerful 2.0 GHz quad-core processor for lightning-fast app starts, next-gen Wi-Fi 6E support for smoother streaming, and double the storage for even more downloads. Choose from over 350,000 movies and TV episodes and control it all with the press of a button. Plus, Fire TV Ambient Experience brings atmosphere to any room.

Unlock a complete 4K Ultra HD experience

From playoffs to premieres, experience it all like you're there with support for cinematic 4K Ultra HD. Experience vivid colour and brightness with support for Dolby Vision and HDR 10+, and immersive sound with Dolby Atmos. Add compatible Echo speakers for a complete Alexa Home Theater.

Enjoy smooth 4K streaming in your home

Our first-ever streaming stick with Wi-Fi 6E support for ultra-smooth 4K streaming—even in homes with multiple devices connected to the internet. Fire TV Stick 4K Max works with earlier Wi-Fi routers, too.

Fire TV Ambient Experience

- **Stunning artwork:** Turn your television into a canvas for creative expression with over 2,000 works of fine art and photography.
- **Helpful widgets:** Stay informed with customizable Alexa widgets like Calendar, To-Do's, Weather, and many more.
- **Instant ambiance:** Turn your TV into a display for beautiful art by tapping the Alexa button on your remote and selecting Ambient Experience from the Shortcuts Panel.

From smart home control to smart living

Control compatible smart home devices right from your TV. You can press and ask Alexa to do things like show Live View Picture-in-Picture camera feeds without interrupting your show, check the weather, and stream music. And Fire TV is always getting smarter with new Alexa skills and voice functionality.

The most storage in a Fire TV Stick

Fire TV Stick 4K Max has 16GB of storage — double the 8GB of storage in Fire TV Stick 4K, and our other streaming sticks. That means you can download more streaming apps, more games, and more content—and still have storage available for software updates in the future.

Over 350,000 movies and TV episodes

Enjoy favourites from Netflix, BINGE, Stan, Disney+, Prime Video, Paramount+, Apple TV+, 7plus, SBS On Demand and others. Watch sport live and on-demand with Kayo Sports. Plus, play millions of songs through services like Amazon Music and Spotify. Subscription fees and terms may apply.

Stream free movies, shows, and clips

Power on and start watching a world of free entertainment through ad-supported streaming apps like YouTube, 9Now, SBS on Demand, ABC iView and more. You can access over **125,000** movies and TV episodes without paying for subscriptions.

Alexa Voice Remote Enhanced

Control your compatible TV, soundbar, and receiver with dedicated power, volume, and mute buttons. You can watch your favourite shows and movies faster with preset app shortcuts (app buttons may vary). It's expansive control and easy navigation without juggling multiple remotes.

Simple to set up and use

1. **Step 1** Plug Fire TV Stick 4K Max directly into your HDTV input.
2. **Step 2** Attach power cable, and plug into wall outlet.
3. **Step 3** Pair remote with TV, connect to internet, and enjoy.
