CONTROL

LUXURY LED LIGHT

CARE+ CRISPER

4 STAR ENERGY RATING

**Inverter System** | The CHI Q super-efficient inverter system is quieter than traditional compressors, and also keeps your food fresher for longer, which saves on energy consumption.

**Frost Free** | The CHI Q Frost Free feature maintains the correct internal temperature for more effective food preservation meaning there is no need to manually defrost the unit.

**Multi Air Flow** | The system ensures chilled air reaches each shelf quickly and uniformly to ensure the food will stay fresher for longer.

**Premium Flat Door** | Premium Flat Door with recessed handle, make your kitchen elegant, convenient and premium.

**LED Display with Control** | The LED digital temperature display and electronic controls ensures the optimum control of the fridge and allows for seamless setting adjustments for different modes.

**Luxury LED Light** | Luxury LED lights are energy efficient and reduce heat output and provide lighting for a better internal view of your contents.

**Care+ Crisper** | Three different mode settings provide more suitable temperature settings for storing meat, fruits, and vegetables.

**4 STAR Energy Rating** | CHI Q new frequency electronic control 503L Quad Door, with 4 star energy rating, low noise, frost free, multi air flow, fast cool and more stable temperature, is your smart choice for everyday family needs.
