

PHILIPS

Philips 5000 Series Dual Basket Airfryer

NA551/00

Our first Dual Basket with steam

Cook two ingredients with separate cooking methods, both ready at the same time

- Crispy and evenly cooked to perfection, with up to 90% less fat ¹
- 2 baskets and 2 sizes to suit any meal
- Time your dishes to finish together
- Steam to perfection for tender, delicate texture
- Say goodbye to fat residue buildup
- Delicious recipes tailored for your Airfryer in our HomeID app
- For evenly cooked food without any burnt patches
- Better texture for your ingredients
- Prepare tasty leftovers in no time
- Up to 40% of excess fat drips away for healthier meals with full flavor ⁷
- Shake reminder for better cooking results
- Make the most of your cooking with 12 presets and 19 different ways to cook
- Save time and energy

^{*1} Compared to homemade fries prepared in a conventional deep fat fryer

^{**2} External lab measurement, based on vitamin C content in broccoli

^{***3} For optimal results, use the steam-clean function in the large basket for 15 minutes after each use

^{****4} Comparison based on cooking a whole chicken for 80 minutes using steam & airfrying function vs air fryer function

^{*****5} External taste test with 30 Airfryer users

^{*****6} Internal lab measurement NA55x with sausages vs. using an A class oven. Results might vary per recipe

^{*****7} Chicken leg: up to 40% less fat vs raw

Highlights

NA551/00

RapidAir Plus Technology

RapidAir Plus Technology with unique star-shaped design circulates hot air around and through the food with faster airflow, ensuring even cooking inside and outside to create delicious homemade meals

2 baskets and 2 sizes to suit any meal

9L Airfryer with 2 baskets and steam function: The 6L drawer for mains, fries, and favourites, and the 3L drawer for sides and snacks. It fits up to 1100g of fries, 1600g of veggies, or 12 chicken drumsticks. The large basket also fits a whole 1.2kg chicken

Time function

Automatically sync cooking times in 2 baskets for meals ready at the same time

Steam to perfection for tender, delicate texture

Our Air Steam Technology ensures a good infusion of steam for your veggies, fish, dumplings, or bakes, achieving a tender and delicate texture without being soggy and watery. It preserves up to 87% more nutrient content than boiling ²

Say goodbye to fat residue buildup

Makes it easier to remove fat buildup from the large basket and around the heating tube with the automatic Steam Clean function ³

HomeID app

Discover the Dual Basket Airfryer with personalised recipes on the HomeID app. Enjoy step-by-step guidance and access hundreds of delicious meals with tailored settings for your Airfryer

No more overcooked food

The Airfrying and Steam function automatically creates the perfect cooking environment, preventing any overcooked areas ⁴

Tender and delicate texture

90% of consumers are satisfied with the taste. Achieve the tenderness of steaming with the crispiness of airfrying using RapidAir Plus with Air Steam Technology ⁵

Reheat function

Yesterday's dinner for lunch? Absolutely. The reheat function uses also steam to preserve moisture, making it perfect for reheating dishes like rice or lasagna that dry out in traditional airfryers or microwaves

Specifications

Technical Specifications

Power: 2300W
Voltage: 230-240V
Frequency: 50 Hz
Temperature range: 40-200 °C

Weight and Dimensions

Product Dimension: 382.5 x 443.9 x 351.7
