

POWERFORCE™ PET | 4059F

OUR BEST COMPACT CLEANING SYSTEM

BISSELL® PowerForce™ Pet upright carpet & upholstery cleaner is our best compact carpet cleaner for pet messes, everyday tough ground-in dirt, and stains on rugs and small spaces. Using powerful suction in combination with a 4-Row DeepReach™ PowerBrush, this machine can tackle even the most challenging mess. Tackle above-the-floor messes as well as ones on carpet, upholstery, pet beds, and more with a 2.1m hose. This cleaner also comes with an included 10cm Self-Cleanout Tool for powerful spot cleaning and easy clean-up with self-cleaning technology. The removable nozzle allows for a quick and easy rinse and clean to keep your machine working optimally. It's compact and lightweight, making it easy to seamlessly deep clean high-traffic areas quickly and then quickly store away.

- 10cm Self-Cleaning Tough Stain Tool. Quickly tackle stains and clean the tool with just one touch.
- Hose Port Attachment. Attach hose and tool for versatile cleaning.
- 4-Row DeepReach™ PowerBrush. Combined with powerful suction, this brush removes ground-in dirt and stains in high traffic areas that vacuums leave behind.
- Compact and Lightweight. Designed for simple storage and to easily maneuver within tight spaces.
- Two-Tank System. Always clean with fresh water and solution.
- Large Carry handles. Easily carry, fill or clean tanks.
- Manual Trigger Control. Allows you to control how much solution you need to clean your carpets.
- Removable Nozzle. Can be rinsed and cleaned quickly for easy maintenance to allow you to get back to cleaning with ease.
