## Website product page content

<b>Product description</b>	<p><b>Sucks up pet hair fast. Automatically de-tangles.</b></p> <p>Efficient whole machine filtration – captures 99.97% of particles down to 0.2 microns.</p> <p>Ball™ technology – easy to manoeuvre.</p> <p>Instant release wand cleans up high and under furniture.</p> <p>Engineered to be suitable for all floor types</p> <p>Includes 1 cleaner head and 3 tools.</p>
----------------------------	---

<b>Product Features</b>	
<p><b>Powerful pick up.</b></p> <p>Automatically de-tangles hair. For deep cleaning with homes with pets.</p>	
<p><b>Efficient whole machine filtration.</b></p> <p>Five layers of filtration capture 99.97% of particles down to 0.3 microns – particles the size of pet dander and other allergens.</p>	
<p><b>No loss of suction.</b></p> <p>Radial Root Cyclone™ technology delivers strong suction from start to finish.</p>	
<p><b>Designed to be durable.</b></p> <p>400 hours of back to back tests were completed on the Motorbar™. Over 1036 km of continuous push and pull life tests. 300 hours of continuous motor life testing.</p>	
<p><b>Light to manoeuvre.</b></p> <p>Dyson Ball™ technology is ergonomically designed for more comfortable vacuuming. Steer smoothly around furniture with a gentle turn of the wrist.</p>	
<p><b>Stretches a total of 14 metres.</b></p> <p>Combine the length of the cord with the stretch of the wand and hose.</p>	
<p><b>Large capacity bin</b></p> <p>Large bin holds 1.8 litres of dust, dirt and hair.</p>	
<p><b>Hygienically ejects the dirt</b></p> <p>Drive out trapped dust and debris with just the push of a button. There's no need to touch the dirt.</p>	
<p><b>Articulated handle for easy, versatile cleaning</b></p> <p>360-degree cleaning. Telescopic handle rotates in three directions for easy cleaning up high and down low – engineered for less strain.</p>	

**Motorbar™ cleaner head**

Powerful Motorbar™ cleaner head cleans deep into carpets and seals in suction on hard floors. Automatically de-tangles hair.

**Combination tool**

Two tools in one, for versatile cleaning around the home.

**Stair tool**

Designed for picking up hair and dirt from stairs, bedding and upholstery.

**Tool holster**

Stores your tools. So they're always there when you need them.
