

Front Loading Washing Machine

HITACHI

BD-804HVOWAU

Enhance your home's design with a sleekly designed washing machine

Laundry Care with Hygiene Program

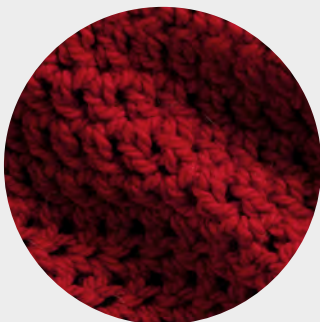

Washing at high temperatures* provides hygienic protection and peace of mind for you and your family. It ensures a 99.9% reduction* in bacteria, with the hygiene programme also useful for bed linen and towels.

*Test condition: 30% of the rated load at 90°C

Drum Hygiene with Tub Wash Program

Keep your machine in top condition by regularly running the 90°C Tub Wash programme for total cleanliness. This helps reduce machine odour and leaves your laundry smelling fresh.

Care for Woollens with Wool Program

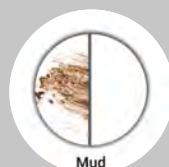

The Wool Program is a specially designed gentle cycle ideal for hand or machine-washable wool and rich wool textiles. This program ensures thorough yet careful cleaning, preserving the quality of your wool items.

Hygiene Ready with Steam Feature

High-temperature washing cycles with steam* allow you to give your clothes a truly deep clean by reducing bacteria, leaving your laundry fresh and thoroughly clean. ++

*Water temperature is set to a minimum of 60 °C.

Stain Wash Removal Feature

Reduce your worries with the Stain Wash* feature, which effectively tackles four common stains, including coffee, sauces, oils, and mud. Depending on the type of stain selected, your machine will intelligently select the optimal washing temperature and cycle to treat and remove stains*.

*Internally tested: Cotton & Stain programme. Stain removal varies by capacity & detergent.
