

SAMSUNG

LS60D Music Frame (2024)

Music, beautifully framed

Top Features

Music Frame Design

Designed like a picture frame, the Music Frame can blend beautifully into virtually any space. Match it to your style with your photos or a custom acrylic Art Panel curated by MARPPLE.¹

Wide Sweet Spot

Enjoy powerful and consistently balanced sound. The Music Frame disperses synchronised sound evenly throughout a wide area with 3-way speakers, enabling excellent audio quality to be heard.

Wireless Music Experience

Easily stream your favourite music on your mobile device to your Music Frame, through Wi-Fi or Bluetooth connection in top audio quality.

Samsung Q-Symphony

Complete your cinematic surround sound system with the Music Frame by wirelessly connecting with your compatible Samsung TV and/or Soundbar without muting any speakers. You can also use it as a front or rear speaker; adding stereo sound or enhancing bass to create the ultimate sound experience.²

¹ Art Panel sold separately.

² Q-Symphony is compatible with select Samsung TVs and Soundbar newly launched from 2024 and Music Frame via Wi-Fi. For a complete list of compatible models, please refer to [samsung.com](https://www.samsung.com) for more information. 2 music frames are required to create stereo sound.

Product	Model Code	HW-LS60D/XY
General Feature	Number of Channels	2
	Number of Speakers	6
	Colour	Black
Speaker	Tweeters	2
	Mid range	2
	Woofers	2
	Centre Speaker	No
