

De'Longhi Eclettica Breakfast Pack Pink (CTY2003 + KBY2001.PKE)

Eclettica

CTY2003.PKE
KBY2001.PKE

The Eclettica Breakfast Pack brings stylish Italian design to your home in a refined, contemporary aesthetic. Featuring a matte dusky pink finish, this kettle and toaster duo adds a minimalist touch that perfectly complements the modern kitchen.

The Eclettica Breakfast Pack offers a high-quality 1.7L stainless steel kettle and matching 2-slice toaster in a sleek modern Italian design. True to their heritage, this minimalist duo delivers a perfect balance of form and function.

The kettle is optimised for easy everyday use with a 360° cordless base, rapid boiling via a powerful 2000W element, and a 3-way auto-shutoff safety system. The companion toaster ensures precise browning control alongside dedicated Defrost and Reheat settings, featuring an extra-lift lever and removable crumb tray for easy use and effortless maintenance.

DESIGNED TO DELIGHT

Premium Italian craftsmanship with a stainless steel body and matte metallic finish.

CORDLESS CONVENIENCE

Convenient cordless jug design, with an independent 360-degree base and non-slip feet for easy positioning.

EFFORTLESS CONTROL

Enjoy effortless control at the touch of a button with variable browning settings, Defrost, Reheat, Bagel and Cancel functions.

CONTEMPORARY ITALIAN DESIGN

A robust stainless steel body with a smooth matte dusky pink finish adds a sleek, minimal style to your countertop. This carefully coordinated kettle and toaster duo delivers an instant, cohesive kitchen upgrade in a single box.

PURITY & PRACTICALITY

The 1.7L kettle features a cordless 360° base for easy handling, a clear water level indicator, and a washable scale filter to ensure purity. For effortless maintenance, the matching toaster is equipped with a removable crumb tray and an extra-lift lever for small slices.

PRECISION, PERFORMANCE & PROTECTION

A powerful 2000W element provides rapid boiling, safeguarded by a 3-way auto-shutoff safety system. The toaster offers complete breakfast versatility with progressive browning control alongside dedicated Defrost, Reheat, and specialised Bagel settings.
