

90cm 3 zone ceramic cooktop with Hob2Hood, triple variable zone, touch controls, and Pause function
RRP AUS \$1,749.00

Product Details

FEATURES

Triple Zone	2.3kW powerful zone	Hob2Hood	Touch controls
Pause	Residual heat indicator	Child safety lock	Easy clean ceramic surface

BENEFITS

Clear the air with Hob2Hood

With Hob2Hood technology, compatible rangehoods work seamlessly with your induction or ceramic cooktop to clear your kitchen of cooking smells and steam. As you start cooking, the rangehood will automatically turn on then intuitively adjust the fan speed and airflow to match your cooking. How's that for hands-free convenience?

One zone, three sizes

The Triple Zone adapts to suit different cookware, from small pans to larger pots. With three adjustable sizes, you get the flexibility to cook with what you need, giving you more control and better results every time.

Easy touch-on glass control

Total control is at your fingertips with a simple touch on the easy-clean glass control panel.

Hold everything with our clever Pause function

We know that family life is full of distractions. That's why you'll appreciate our clever Pause function. Simply touch the Pause icon on your cooktop and all operating induction zones will drop to the lowest setting. When you're ready to go again, hit Pause again and settings will return to where you left off.

Timed to perfection

Never over-cook or burn dinner again. Just set the cooking time and your cooktop will automatically turn the heat off for you.

Sleek surface, easy to maintain

The ceramic glass surface wipes clean with ease. Its designed to stay looking polished with minimal effort, day after day.

Specifications

Dimensions

90cm Electric cooktop

WHC933BE

IMPORTANT

It is recommended to centre the bench cutout with equal distance front and back as shown but the product has also been certified to be installed with no clearance between the rear edge of the cooktop glass and rear wall if required. In doing so, installers still need to leave sufficient clearance to take into account that the glass dimensions are larger than the cut out.

Product WxDxH (mm)	900 x 410 x 51
Cut-out WxD (mm)	825 x 360

IMPORTANT

These dimensions are a guide only. All measurements are in millimetres (mm). For complete installation instructions, refer to the manual provided with product.

Terms and Conditions

IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
