- Powerful steam for crease removal
- Easy De-Calc to extend the lifetime of your iron

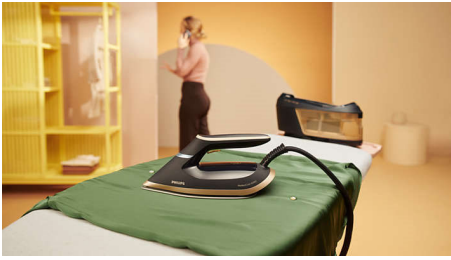

Extra convenience to use

- Automatic shut off when iron is left unattended
- 1.8L detachable water tank for easy refilling
- Lightweight and compact for easy use and storage
- Safe carry lock for safe and easy transport

PHILIPS

Highlights

OptimalTEMP

With OptimalTEMP technology you achieve great results with one ideal temperature setting. We guarantee this iron will never cause burns to any ironable fabric when it is left unattended. You can safely leave it resting on your clothes or ironing board.

SteamGlide Advanced soleplate

Our superior SteamGlide Advanced soleplate delivers smooth gliding performance on any fabric. Its stainless steel base is twice as hard as a aluminum, and our patented 6-layer coating with its advanced titanium layer effortlessly glides on any fabric for the fastest results.

Powerful steam

Strong, continuous steam for effective crease removal of even the most stubborn creases on the thickest fabrics.

Easy descaling

It's easy to maintain your steam generator with Smart Calc Clean, our built in descaling system. It will remind you when it's time to descale and includes a container to make descaling easy and safe. Since it is reusable you will save money and never need to buy extra cartridges.

Auto-shut off

Auto-shut off to save energy and for peace of mind

1.8L detachable water tank

A 1.8-liter transparent tank gives you up to 1.5 hours of continuous use. See clearly how much water is left and refill easily at any time under the tank through the large filling door.

Compact and convenient

Thanks to its compact size it's light and easy to handle as you iron your clothes. It even fits on your ironing board. But don't think smaller means less powerful. Thanks to our exclusive ProVelocity technology, we've made powerful steam generators that are lightweight and more compact than ever.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Specifications

Calc management

- Calc clean reminder: Sound & light indicator
- Calc clean solution: Smart Calc Clean
- Suitable for tap water

Accessories

- Calc Clean container

Weight and dimensions

- Packaging dimensions (WxHxL): 22.7 x 34.2 x 43.0 cm
- Product dimensions (WxHxL): 16.8 x 26.9 x 36.8 cm
- Weight of iron: 1.2 kg
- Weight of iron + base: 3.4 kg

General specifications

- Hose storage: Compartment
- Power cord storage: Velcro fix
- Safety carry Lock
- Auto shut-off

Easy to use

- Safe for all fabrics
- Safe on all ironable fabrics
- Water tank capacity: 1800 ml
- Heat up time: 2 minute(s)
- Refill any time
- Soleplate gliding performance: 5 stars
- Soleplate name: SteamGlide Advanced
- Safety auto off
- Detachable water tank

- Refill any time during use
- Tap water suitable
- Drip Stop
