

KitchenAid®

9 CUP FOOD PROCESSOR 5KFP0921

Explore meal-making possibilities with the 3 speed options and the ability to chop, shred, mince, slice, knead, whip, mix and puree everything from fresh veggies to cheeses, doughs, sauces, salsa and so much more. The improved multi-purpose 4 blade allows you to process tougher ingredients and even mince meat in 10 seconds*. Or, whip up a fresh butter, and incorporate your favorite herbs, with the whisk accessory. In addition to being easy to use, all of the accessories fit nice and neat directly inside the 9 cup bowl. Or store ingredients for later use, directly in the work bowl, with the refrigerator lid.
