FEATURES

- Designed With Pros. Engineered to Win: Designed alongside the world's best esports athletes, the Logitech G PRO X3 SUPERSTRIKE wireless gaming mouse delivers the fastest and most customizable click
- Experience true click innovation: Haptic Inductive Trigger system replaces standard switches with an electromagnetic field; delivering 10 actuation and 5 reset points to your programmable mouse (1)
- Track with pinpoint accuracy: HERO 2 sensor tracks over 930 IPS, 90 G, and up to 48,000 DPI; providing this PC gaming mouse with the exact precision needed for high- stakes matches
- Experience zero lag: LIGHTSPEED wireless technology operates at up to 8 kHz polling; delivering a highly responsive, tournament-grade connection for your PC gaming setup (1)
- Play continuously: Enjoy up to 135 hours of battery life on a single charge; this rechargeable gaming mouse easily repowers via USB-C or syncs with the POWERPLAY mouse pad (4)
- Glide effortlessly: Built with a 0.7 mm thin- wall case and extra- large UHMWPE feet; this ultra- durable lightweight gaming mouse ensures smooth movement during marathon sessions
- (1) Advanced features require Logitech G HUB Software; tested on G640 mousepad
- (4) Not included - sold separately

(1) Advanced features require Logitech G HUB Software available for download at logitechg.com/gghub

(2) Tested on Logitech G640 Gaming Mouse Pad

(3) Battery life varies with use conditions

(4) Not included - sold separately
